DETAILED ACTION

1. Applicant's preliminary amendments, filed March 16, 2006 have been fully considered and they are deemed to be persuasive.

Allowable Subject Matter

2. Claims 1,4-6,8-9,11 and 13-20 are allowed over the prior art of record.

Reasons For Allowance

3. The following is an examiner's statement of reasons for Allowance:

Regarding Independent claims 1,6,11 and 16, Applicant's particular computer-implemented method of determining whether a current fill rate of a container is within a threshold of a slowest fill rate of the container and when the determining is true, switching from the container to a new container, wherein the switching further comprises switching journaling of changes to a database from the container to the new container in combination with other limitations of the claims, was not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record.

The dependent claims, being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
